

FUNERAL ARRANGED FOR DR. J. W. BULKLEY

Old Age Ends Career of Oldest Physician in the District.

Funeral services for Dr. John Wells Bulkley, the oldest and for many years the most widely known physician in the District, will be held tomorrow afternoon at 3 o'clock at the Trinity Episcopal Church, Third and C streets northwest.

The Rev. Dr. Whittemore, assistant rector of the church, will conduct the ceremonies, which will be simple in accordance with Dr. Bulkley's wishes, and the burial will be in Rock Creek Cemetery.

The list of pallbearers have not yet been completed, although it is thought that they will be chosen from among the various medical societies with which Dr. Bulkley was so long identified, with perhaps one or two representatives from the Cosmos Club.

Dr. Bulkley died yesterday afternoon at 4 o'clock after a brief illness. His wife and two sons, Robert and Barry, were with him during his last hours. Death was due to the infirmities of age.

Born at Williamstown, Mass., December 18, 1822, he was graduated from Williams College in the class of '41, the youngest member of his class. Three years later he took high honors at the Berkshire Medical School, leading the class upon his graduation.

Up to the time of his death he was one of the three oldest surviving graduates of Williams College, and the only surviving member of the class of '41, Berkshire Medical School.

Dr. Bulkley was a direct descendant of the Rev. Peter Bulkley, the founder of Concord, Mass., and a member of one of the oldest and best families of New England.

Coming to this city a few years before the outbreak of the civil war, Dr. Bulkley took up the practice of medicine, building up a large practice and making an enviable reputation for himself.

At the outbreak of the civil war his marked ability recommended him to the surgeon general of the army, and he was appointed surgeon-in-chief of the Patient Office Hospital.

He was one of the first physicians to make an examination of President Lincoln after the latter was shot at Ford's Theater, and was one of the consulting medical men who remained with him to the end.

Dr. Bulkley was a member of the Medical Society of the District of Columbia, and was at one time president of the organization. He was also a member of the American Medical Association, the Cosmos Club and various other scientific bodies. He was the oldest living member of the Sigma Phi fraternity, having been initiated into the college society seventy-two years ago.

He was also the oldest member of the consulting staff of the Providence Hospital.

MRS. CRIPPEN ALIVE, SAYS PRESS AGENT

Will Bob Up and Go on Stage, Is Report of Theatrical Men.

LONDON, Aug. 24.—A rumor that made the rounds of the newspaper offices today, but which was considered so fantastic that it was not published, was that the "Crippen case" is a theatrical advertising scheme, and that as soon as theiasco is exposed, all those concerned in it will go on the variety stage.

Dr. Crippen's wife, Belle Elmore, is now in hiding, according to the rumor, awaiting the psychological moment to put in an appearance. The body supposed to be that of Mrs. Crippen was an unrecognizable mass of material that Crippen "planted" in the cellar of his house, in such a manner as to give the appearance of murder.

Incidentally, it is said, those involved in the alleged hoax are buying the basis for an avalanche of libel suits.

CLERGYMEN START THREE-DAY SERVICES

Evangelistic Work Is Opened by Ministers at Great Falls Meeting.

The clergy in charge of the camp meeting at Great Falls, where most of the ministers of the Methodist Church in Washington and nearby Maryland and Virginia are gathered, today began three days of evangelistic services.

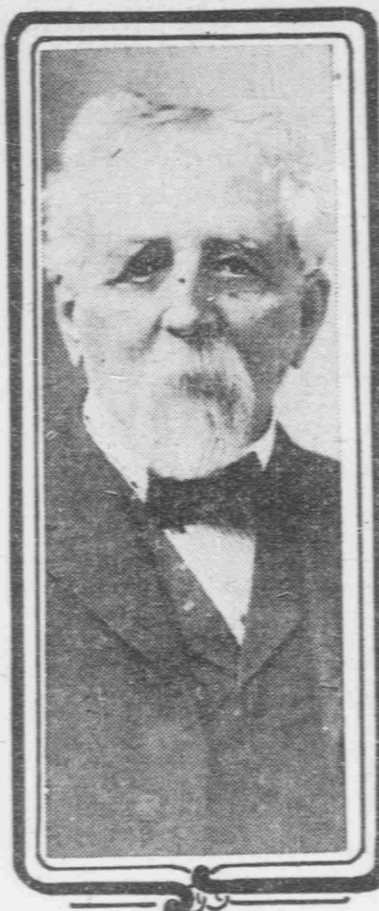

The Rev. Dr. F. J. Prettyman is conducting the meetings. He is assisted by the Rev. John A. Rice, of New Orleans, and Dr. Gross Alexander. A special chorus of trained voices has been obtained for these meetings. The meetings will run today, tomorrow, and Friday.

On Saturday the Washington District Epworth League will meet there in convention. Sunday's services, at which many noted clergymen will occupy the pulpit at the different services, will close the camp.

MIDDIES TO LAND SUNDAY.

ANNAPOLIS, Md., Aug. 24.—The ships of the practice squadron, which are at Solomon's Island, will land at Annapolis Sunday. While it is possible that the midshipmen just closing their tour to foreign parts will be granted shore liberty, none of them will go on leave until August 30.

AUTO CRASH DEAD NOW NUMBER FOUR

NEW YORK, Aug. 24.—The death list of the auto accident at Jamaica, Long Island, in which three were killed, was today increased to four by the death of Mrs. Fannie Glass, who succumbed to her injuries in the Jamaica Hospital.

It was announced that hope for two, and possibly three, of the eight injured, was practically abandoned.

The dead this morning were Elgel Berbon, the chauffeur, killed instantly; Bertha Wells, eleven; Mrs. Glass, and her daughter, Rebecca.

At the St. Mary's Hospital it was said four of the others had little chance to live.

Palais Royal REMNANT DAY

We never have to advertise our Remnants but once—that is the best argument we can offer to prove the superior value of our Remnant Sales. Our Thursday specials appeal to every woman interested in style and quality, but obliged to practice the art of economy. The attractive prices mentioned below should mean a great deal to you.

With thousands upon thousands of dollars' worth of autumn-winter goods pouring into the store it is a wonder we are willing to almost give away the balance of lightweight goods?

Learn that tomorrow is to-be the best remnant day of many months. Visit all five floors—only a fraction of the remnants offered are mentioned below.

\$2.48 67c 67c

Dresses and Suits that were \$7.00 to \$10.00, are to be \$2.48 and \$4.48. Separate Skirts and Waists to be 67c. Also three (3) Cream Serge Suits that were \$15.00, to be \$3.98, the skirt alone being worth twice the price named. Not one garment made for a cheap sale. On Third Floor.

\$1.98 and \$3.48 for \$5 to \$7.50 Hats

Not factory trimmed—all were trimmed in our own workroom and are best possible specimens of \$5 to \$7.50 Hats. Now reduced to \$1.98 and \$3.48, because we are preparing for a new season.

15c and 4c for Sailor Hats, white and burnt straw, with silk and velvet bands. \$1.99 and \$2.00 values. 5c yard for the best 25c Braids of the season, in all colors.

17c for 25c Ribbons

Note this—not an inch of Cotton Mixed Ribbons, not a poor style, not an undesirable color or shade. Widths up to 5 inches, in Plain Satin, Taffeta, and Fancy Dresden Ribbons, best of 25c ribbons at only 17c yard. The explanation is that the factory was cleared of all the remaining stock of summer ribbons. Shades most women prefer to the somber winter colors.

25c and 50c Paris Made Jewelry to be 10c

More words fail to describe the artistic beauty of this collection of imported novelty jewelry—everything is here in the pin line and in a variety of designs and colored settings. Then, too, there are German Silver Pinky Rings, Bead Chains with pendants, and many trinkets for milady's adornment.
